

Hi There!

Welcome to ShirfulDesigns and thank you for choosing one of my designs!

I am a mom based in the San Francisco bay area, and I'm on a mission to bring ease, sparkle, and fun into the lives of busy moms. I purposefully keep the price of my Etsy printables low so it is accessible to all. I also offer some freebies on my website!

Please do not share this PDF with others. Please DO send them to my blog [SHIRFUL.COM](https://shirful.com)

My clients and friends call me their fairy godmother - When I'm not busy with clients, I write about organized home design, personal style and beauty tips, healthy and quick family recipes, and other life hacks.

If you have any additional questions, feedback, or suggestions for new projects, I'd love to hear from you! Please email me at [hello@shirful.com](mailto:hello@shirful.com).

Until next time - cheers!

Shiri.
